

## **Sophomore English**

We will be studying *1984* by George Orwell. The ISBN number is 978-0451524935. Please purchase a copy of the novel. You may purchase new or used copies locally or through Amazon or Barnes and Noble. Thriftbooks.com is an excellent source for used books. If you cannot purchase a book due to financial need, please contact Mrs. Mirkinson.

You will take a “Did-You-Read-It?” test during the second week of school, and you will be allowed to use your books. Please keep in mind that you may not use an electronic copy of the book for the test.

While you are reading, highlight and annotate the text.

Choose 5 quotations that you think are significant. For *each* quotation, write a detailed paragraph explaining why you think the quote is significant. Does it reveal a major theme? Does it reveal an aspect of character? How does it shed light on some aspect of the novel? You will submit this exercise on the first day of school.

If you have any questions, contact Mrs. Robertson at [robermn@bay.k12.fl.us](mailto:robermn@bay.k12.fl.us).
